

## OSCAR P. COX WILL PRESIDE AT CONVENTION

Kuhio Caucus Selections Likely To Be Named; List of Delegates

When the Republican county and district convention opens tomorrow, it is probable that Oscar P. Cox will be named chairman, with John Macallan secretary and Bill Crawford interpreter. These are the Kuhio candidates for the positions as endorsed at the caucus of last Saturday night, and as the control of that seemed to have been thoroughly well vested in Chief Engineer Lorin Andrews, it is not deemed likely that any changes will be made.

Following is the list of delegates to the Republican county convention:

### EUROPE TO USE CANAL ANYWAY, SAYS BARRETT

Old World Countries Go Ahead Even Though Handicapped

BOSTON, Mass., Aug. 29.—"While European countries are unanimous in expressing the belief that the Hay-Pauncefoot treaty has been disregarded, they will not relax in their efforts to make use of the Panama canal," John Barrett, director general of the Pan-American Union, said concerning the passage of the Panama canal bill on its arrival here from Europe. "The European countries will go ahead, even under unfavorable conditions, and trust to a new adjustment either through The Hague court or new legislation at the next session of Congress."

"A foreign influence against the bill has been a lack of popular knowledge and appreciation of the fact that coastwise shipping of the United States is limited to vessels flying the American flag and that foreign vessels, no matter what the tolls may be, could not engage in coast-to-coast business."

Advices from London say the new British battleships will have curved armored upper decks and funnel protection to resist attack by aeroplane.
